

Ready to GO SOLAR

but don't know where to start?

We can help

Inner West Community Energy is a local not-for-profit group committed to increasing the amount of solar energy in Sydney's Inner West.

We have helped over 100 local households install solar

Backed by a proven process, **we offer free advice**, a strong knowledge of the solar industry and technology, plus preferred solar installers we trust.

Many of us are **keen to go solar don't know how or where to start**. It's a purchase we're not familiar with. Technology, choosing the right size and system or rebates can be unclear and confusing.

We offer our experience to help you get a great solar system a a fair price

Get in touch

If you'd like to install solar and want advice, come to one of our local info nights, contact us via our website innerwestcommunityenergy.org.au

You can also SMS our Project Manager Gavin Gilchrist on 0407 663 125 or contact us through our Facebook page.

Who are we?

Inner West Community Energy is a not-for-profit incorporated association formed in 2018 with the goal of increasing the amount of solar PV in the Inner West. We are not politically aligned.

Our vision is to make the Inner West a leader in the transition to renewable energy. Our local area has only about one-third of rooftop solar compared to nearly every other part of Sydney - we're working hard to change that.

As well as **helping households install solar**, we have plans for **larger community-owned rooftop solar systems** and projects to help people save energy through energy efficiency upgrades.

What people said

☺☺ *It was great to have you guys as a trustworthy broker who could guide us through the system*
Hugh & Anne, Drummoyne

☺☺ *We just wanted to put solar on to reduce our carbon footprint and we were surprised how affordable it was, and how quickly the investment paid off*
Rachel & Jon, Marrickville

Solar energy is clean energy. It's good for the climate, it cuts power bills and creates local jobs.

Join us for a solar revolution

There is strength in numbers. We have over 200 members. We're always keen to recruit new volunteers! If you'd like to help, even if just for an hour or two a month, contact us through innerwestcommunityenergy.org.au, our Facebook page or SMS our Secretary Susan Coates on 0405 045 834.
